## 2 Eligibility

#### a. Who can apply?

This is an international **policy** designed for expatriates (i.e. persons living/working outside of their **home country**) and local nationals (i.e. persons living and/or working inside their **home country**) and their eligible **dependants** with the exception of the United States of America.

- The **policy** is not available to persons or in countries where it would breach any sanction, or where it is prohibited by law or local legislation in accordance with the sanction clause p under Section 8.

Maximum age of entry at the **start date** of the **policy** on an FMU basis is 74.

Maximum age of entry at the **start date** of the **policy** on a Moratorium basis is 55.

Children can be added to a member's **policy** but they must be under age 19 and unmarried (or under age 25, unmarried and in full-time further education) at their **start date**.

Children may remain covered under this **policy** until the **annual renewal date** following their 19th birthday (or 25th birthday where in full-time education) or marriage, at which time their insurance cover under this **policy** will end and they may move onto their own **policy**.

We offer cover exclusively for children between the age of 10 and 17 without any parent or guardian being covered under the **policy**. A compulsory **excess** applies to these policies of \$/€/£ 100 per **claim** and will be paid in accordance with clause d (General **claims** guidance roles) under section 4 (How to **Claim**).

Any children under the age of 10 have to have an adult covered on the **policy**.

#### b. Conditions of acceptance

We are entitled to refuse an application from any person should the information provided fail to meet **our** underwriting criteria.

We also reserve the right to ask for evidence of age, state of health, employment status or educational status.

We may wish to apply special terms, exclusions or premium

increases to reflect any exceptional circumstances regarding **your** application.

If **we** cannot obtain all the information **we** need to assess a risk, **we** reserve the right to decline cover.

#### c. Your duty of disclosure

**You** must take care when answering any questions **we** ask by ensuring that all information provided is accurate and complete. If **we** establish that **you** deliberately or recklessly provided **us** with false or misleading information **we** will treat this **policy** as if it never existed and decline all **claims**. If **we** establish that **you** carelessly provided **us** with false or misleading information it could adversely affect **your policy** and any **claim**.

For example, **we** may:

- treat this **policy** as if it had never existed and refuse to pay all **claims** and return the premium paid. **We** will only do this if **we** provided **you** with insurance cover which **we** would not otherwise have offered;
- amend the terms of **your** insurance. **We** may apply these amended terms as if they were already in place if a **claim** has been adversely impacted by **your** carelessness;
- reduce the amount **we** pay on a **claim** in the proportion the premium **you** have paid bears to the premium **we** would have charged **you**; or
- cancel **your policy** in accordance with the Right to cancel condition below (clause h under Section 8). **We** or **your** insurance broker will write to **you** if we:
  - intend to treat **your policy** as if it never existed; or
  - need to amend the terms of **your policy**. If **you** become aware that information **you** have given **us** is inaccurate, **you** must inform **your** broker as soon as practicable.

#### d. Change in Circumstances

**You** must immediately inform **us** of any change in the information given on the application form, in-particular relating to any medical declaration **you** have made for **yourself** and any **dependants**, **your** address, **country of residence**, the birth or adoption of a child or any other change involving **your** insured **dependants**. If **you** do not tell us, **your policy** may be cancelled and any **claim** **you** make may not be paid.

## 3 Underwriting

This is an explanation of the insurance cover options available on the Plan Type under Section 6 (in other words how **we** treat any pre-existing medical conditions you may have):

#### a. Full Medical Underwriting

If **you** select Full Medical Underwriting (FMU), **you** must complete the FMU application form. **We** will review the information provided to ascertain whether **you** and any eligible **dependants** will be accepted with or without specific exclusions or terms.

We may need to request additional information to be able to provide terms. **You** must ensure that the FMU application form is fully and accurately completed, taking into consideration that the medical declaration relates to the whole of **your** life unless otherwise stated. If **you** are not sure whether **you** need to declare a condition to **us** or not, **you** should declare it.

Any **pre-existing medical conditions** not declared on **your** FMU application will not be covered by **your** policy.

If a specific exclusion or terms will apply to **your** policy, **we** will advise **you** in writing and **you** will need to confirm to **us** in writing that **you** accept the terms offered before **your** policy can start.

#### b. Moratorium Underwriting

Moratorium Underwriting is only available if **you** and any eligible **dependants** are under age 55 at the **start date** of the **policy**. If **you** select Moratorium Underwriting, **you** must complete the Moratorium application form.

Moratorium Underwriting means that **you** and any eligible **dependants** will not be covered for any **pre-existing medical conditions** that have been in existence during the 5-year period before **your** **start date**. After 2 years continuous cover, **pre-existing medical conditions** may become eligible for cover (unless the condition is specifically excluded by the **policy**) if, at the first time of receiving treatment, **you/your dependant** has not in that two (2) year period:

- Suffered any symptoms;
- Consulted any **medical practitioner** for check-ups/ monitoring of a condition, received follow up examinations, **medical treatment** or advice;
- Been prescribed or taken medicine, including **over the counter drugs**, special diets, injections or **physiotherapy**;
- And, **you** were not reasonably aware the condition existed.

If there is any doubt over whether a condition existed prior to the **start date** of the **policy**, **we** reserve the right to request a further medical opinion. The final decision on whether a condition is covered rests solely with **our** Chief Medical Officer (CMO).

#### c. Continued Personal Medical Exclusions (CPME) Underwriting

If **you** have had previous international medical insurance with another **insurer**, **you** may be able to apply for a transfer to **Morgan Price**. This must be on the same or lower **level of cover** to **your** existing insurance. There must be no break in cover in between **your** current **policy** expiring and transferring to **ours**.

**We** will ask **you** to complete a number of questions about **your** health and provide a copy of **your certificate of insurance** from the other **Insurer**. This must include details of any personal medical exclusions that the previous **Insurer** applied to **your** **policy**. If **we** agree to accept **your** application, **we** will transfer **your** terms from **your** previous **Insurer** to **Morgan Price**.

Please note that the terms and conditions of the **Morgan Price** Insurance **policy** may be different to **your** previous insurance **policy**.

#### d. Non Disclosure

If during the course of **your** **policy** **we** deem that a **pre-existing medical condition** was not disclosed to **us**, **we** reserve the right exercise **our** rights under clause 2 c (Duty of Disclosure).

## 4 How to Claim

- Membership Number (found on **your certificate of insurance**).
- Location.
- Name and contact details of treating **physician/hospital**.

If covered, arrangements will be made and **we** will deal directly with any facility or evacuation provider.

In dire emergencies in remote or primitive areas where **you** cannot make contact with **us** in advance, **you** must contact **us** as soon as is practicably possible.

In most cases, **we** will then be able to deal directly with the **hospital/clinic** to arrange **your** treatment and then place a guarantee of payment with the **hospital** and pay them directly.

If **you** are admitted into **hospital** in an emergency, please make sure that **you** or a representative, or a member of the **hospital** staff contact **us** within 2 days of **you** being admitted into **hospital** otherwise a 25% **co-insurance** will apply to **your** **claim**.

If **you** do not contact **us** for pre-authorisation as per the **benefit schedule**, a 25% **co-insurance** will apply to **your** **claim**.

#### d. **General claims guidance notes**

A **claim** form must be completed for each **medical condition** claimed under the **policy** in each **period of insurance**. If **you** receive further bills for an already submitted **claim**, please send them in with an accompanying letter quoting **your** membership

number and **claim** number already provided. Alternatively, take a copy of **your** original **claim** form and submit that with the additional bills.

When **you** submit **your** first **claim**, please ensure that **you** also send **us** the completed bank details form to ensure **we** can make payment to **you**. **You** must include an IBAN and SWIFT code where this is required.

Please note that **we** cannot make payments to banks in countries where Sanctions are in place in accordance with clause p under section 8.

Unless there are extenuating circumstances, **claims** must be submitted within three (3) months of the date of service or treatment, otherwise they will not be considered for reimbursement.

**You** must provide **us** with a written response to any request for information regarding a **claim** within twenty eight (28) days of **us** asking, or as soon as reasonably possible thereafter. In certain circumstances **we** may ask **you** to undergo a medical examination, which **we** will pay for. **You** must provide **us** with a written statement to substantiate **your claim** together with (at **your** own expense) all necessary documentary evidence, information, certificates, receipts and reports that **we** may reasonably request **you** to supply. It may also be necessary to request information such as a police report, death certificate, autopsy report and travel itineraries. Failure to provide **us** with the information **we** have reasonably requested will result in **us** being unable to assess **your claim**.

In the evaluation of medical **claims**, the decision of the Chief Medical Officer is **our** final decision.

If **you** have chosen an **excess** to apply to **your policy**, it will apply on a per person per **period of insurance** basis, which means it will be applied once a year to each **insured person**. If **you** have also selected a **co-insurance** on **out-patient** benefit options, the **excess** will be applied to the **claim** first and then the **co-insurance** will be applied to the remaining amount. At the start of each **period of insurance**, **you** are responsible for bearing the costs for any expenses up to the value of **your deductible/excess**.

Please send **us** a completed **claim** form together with all the bills so that **we** can work out the amount payable once **you** have incurred **eligible costs** up to the level of **your excess**.

#### e. **Settlement of your reimbursement claim**

Once **we** have reviewed the documentation provided and processed **your claim** **we** will:

- a. send **you** a **reimbursement statement**;
- b. make payment of the covered expenses within thirty days (30) days from the date the **claim** was processed,
- c. pay **your claim** directly into **your** chosen bank account, less any **excess** or **co-insurance**.

**We** will pay for any bank charges incurred in submitting the funds into **your** bank account.

**We** will not pay for any charges made by **your** bank for receiving the funds.

For **claims** made where **you** have incurred expenses in a currency other than the currency of **your policy**, settlement will be calculated using the appropriate exchange rate prevailing on the date treatment was received.

### General policy administration

#### a. Commencement of cover

Insurance cover for **you** and **your dependants'** will commence once **we** have accepted **your** application form and **your** first premium payment has been received by **us**, including any applicable taxes.

**Your start date** will be shown on your **certificate of insurance**. **Your start date** must be within thirty(30) days from the date that **you** signed your application form.

**We** will provide **you** with a PDF of your **certificate of insurance**, any relevant endorsements, a **benefit schedule** and a membership card, which includes details of the emergency **claims** contact details.

#### b. Adding or removing your dependants

Application to add **your** eligible **dependants** may be made at any time during the **period of insurance**, subject to payment of the required premium.

A healthy **newborn** child may be added to this **policy** from their date of birth provided **we** received a completed application form from **you** within 14 days of their date of birth. If **you** notify **us** after this period, **we** will add the **newborn** child from the date **we** receive the completed application form and not their date of birth. If **your newborn** has known **medical conditions**, these will need

to be declared on an FMU application form and **we** will advise what cover **we** can offer.

Please note that submission of a **claim** under item 7 – **Maternity benefits**, does not constitute formal notification for the **newborn** to be added to the **policy**. A completed application form is required.

If **you** wish to delete any of **your** insured **dependants** from the **policy**, **you** must make this request in writing. Deletion will be made from the date that written notification is received.

#### c. Maintaining cover

Subject to satisfying any specific eligibility criteria and payment of the required premium, this **policy** will remain in force during the **period of insurance** and is renewable for successive 1-year periods at the prevailing terms, premium rates and benefits.

**We** will not cancel this **policy** because of either a deterioration in the health of any **insured person** or the number/value of **claims** the **insured** makes, unless **we** are prohibited by insurance law or legislation, or decide not to continue to underwrite this type of insurance in the **insured person's** country of location.

If the **Insurer** decides to stop underwriting this **policy**, **we** shall give the **insured** as much notice as possible in writing prior to **your policy's** next **annual renewal date**.

#### d. Alterations to your policy

**We** may change the premium rates, terms, conditions and benefits of **your policy** from time to time but any such changes will not apply until the next **annual renewal date** following the introduction of such changes.

No alteration or waiver of the terms, conditions and benefits of this **policy** shall be accepted unless it is in writing by **us**.

#### e. Changing your plan type

**You** may only apply to change **your plan type** at the **annual renewal date** of the **policy**. If **we** accept **your** application, **we** reserve the right to apply a variation in cover to any **medical conditions** which pre-existed the date of such change.

**You** may change **your geographical area** during the **period of insurance** if **you** relocate to a **country of residence** which is located outside of the **geographical area** chosen at the **start date** or subsequent **annual renewal date**.

#### f. Policy duration and premium payment

This is an annual contract, which is renewable each year, subject to the terms and conditions in force at the **annual renewal date** and subject to payment of the applicable renewal premium.

All premiums are payable in advance of cover being provided under this **policy**. Premiums are paid to **us** by bank transfer, debit/credit card or by Sepa Direct Debit.

Premiums (and any applicable taxes) are payable monthly, quarterly, semi-annual or annually but this is an annual contract of insurance. If **you** elect to pay **your** premium in instalments, **you** will be charged an administration fee. **You** are still responsible

for paying the entire annual premium even if **we** have agreed **you** may pay by instalments. If **we** do agree **you** can pay by instalments then **you** must ensure the credit/debit card **you** supply is valid for the entire period of the **policy** year.

**We** reserve the right to withdraw frequency payment facilities and/or charge an administration fee for non-payment.

The **policy** will be cancelled if a payment date is missed although **we** may subsequently reinstate cover if an outstanding payment is received within thirty (30) days of its due date.

If **we** agree to reinstate cover, **we** reserve the right to apply revised underwriting terms to **your policy**.

If a premium is outstanding, any **claims** will be suspended and will not be settled until the outstanding premium is received by **us**.

If any premium is unpaid at the end of this 30-day period, **we** will cancel the **policy** from the date that the unpaid premium was due. Any outstanding premium will be deducted from the credit card or debit card supplied.

Premiums are payable in the currency of the **policy** which **you** elected at the **start date** of **your policy**.

**We** reserve the right to alter premiums at any time but if **we** do so, the new premiums will not be effective until **your annual renewal date**.

**We** reserve the right to alter the amount of Insurance Premium Tax, government levies or other taxes as and when they change by law and to apply them at the next premium due date.

If having purchased this insurance, the **policyholder** decides that it does not meet **your** requirements, please return **your policy** documents to **us** within fourteen (14) days of receipt, together with written cancellation instructions. Provided no **claims** have been paid and/or **pre- authorisation** has been given, **we** will refund any premium that **you** have paid.

#### g. Temporary return to your home country

For nationals of the United States of America, cover can remain in force for temporary return and visits to **your home country** up to a maximum of ninety (90) days in total during each **period of insurance**, provided that **your home country** is included within **your selected geographical area**. **Your policy** will automatically terminate after ninety (90) consecutive days in the United States of America – refer to "Termination".

For nationals of all other countries worldwide, there is no restriction for temporary return and visits to **your home country**, provided **your home country** is included within **your selected geographical area**.

Where **your home country** falls outside of **your selected geographical area**, please refer to Item 11A – **Emergency Out of area treatment**.

#### h. Cancelling your policy

If the **policyholder** cancels the **policy** at any other time, **you** must give **us** fourteen (14) days notice in writing at either:

the address: **Morgan Price** (Europe) ApS, ØENS Virksomhedsadministration ApS, Lergravsvej 59, 1, 2300 København S, Denmark

or by email [info@morgan-price.eu](mailto:info@morgan-price.eu) .

We will cancel the **policy** from the date of receipt of such instruction or from a future date. Under no circumstances will we back date any cancellation requested by the **policyholder**.

Once we have received **your** cancellation notification and provided no **claims** or **pre-authorisations** have been put in place in the current twelve (12) month **period of insurance**, a pro-rata refund may be applicable. If a **claim** has been made, then no refund will be due and any outstanding instalment premiums remain payable.

If **you** cancel **your** plan, we reserve the right to charge an administration fee of £/€//\$30.

We will not cancel this **policy** because of eligible **claims** made by the **insured person**. We reserve the right to cancel the **policy** at any time if any **insured person** has:

- Deliberately misled us by misstatement or concealment; or
- Made or attempted to make a false or fraudulent **claim** or if any person uses any methods to try to make a fraudulent **claim**; or
- Fails to pay the premium due.

#### i. Termination

This **policy** will automatically end in any of the following situations:

- Failure to pay the premium on the date due. At our absolute discretion, we may reinstate the cover if the outstanding premiums are paid to us in full, although we reserve the right to apply revised underwriting terms to **your policy**.
- Where **you** have acted in a fraudulent manner or deliberately **claimed** benefit either directly or indirectly, to obtain unreasonable pecuniary advantage which is to our detriment.
- For nationals of the United States of America only, ninety (90) days after **you** return to **your home country**. This ninety (90)-day period shall be reduced by the number of days that have already been spent on temporary return and visits to the United States of America during the **period of insurance**. If there are less than ninety (90) days to run until the **expiry date**, then cover shall cease on the **expiry date**.

On termination of this **policy** for whatever reason, our liability will immediately cease.

#### j. Death of a policyholder

Should the **policyholder** die, their spouse (provided already insured under **your policy**) will automatically become the **policyholder** for the remainder of the **period of insurance**. Should a dependent be left on the **policy** under the age of 18, a guardian will need to become the **policyholder**.

#### k. Other insurance

If there is any other insurance covering any of the benefits that are provided under **your policy** for which a **claim** is made, then **you** must disclose this to us at the time of submitting the **claim**.

In these circumstances, we will not be liable to pay or contribute more than our proper rateable proportion.

If it transpires that **you** have been paid for all or some of the **claim** costs by another source or insurance we have the right to a refund from **you**. We reserve the right to deduct such refund from **you** from any impending or future **claim** settlements, or to cancel **your policy** from the **start date** or subsequent **annual renewal date** without a refund of premium.

#### l. Subrogation

If someone else is responsible for a **claim** made under the **policy**, we may take court action in **your** name to recover any **claims** we have paid. We will pay for the cost of taking this action and it will be for our benefit. **Insured persons** are not authorised to admit liability for any eventuality or give a promise of undertaking to anyone which binds the Insured, an **Insured person**, or us without our prior written consent.

#### m. Help and intervention

Our help and intervention depends upon, and is subject to, local availability and has to remain within the scope of national and international law and regulations. Our intervention depends upon us obtaining the necessary authorisations issued by the various competent authorities concerned.

#### n. Compliance

Your full compliance with the terms and conditions of this **policy** is necessary before a **claim** will be paid.

#### o. Governing law

Without prejudice to the provisions set out in Regulation (EC) 593/2008, this **policy** shall be governed by and construed in accordance with the laws of the country in which the **insured person** bringing a **claim** is situated, and the courts of the country in which the **insured person** resides shall have exclusive jurisdiction to settle any dispute or **claim** (including contractual or non-contractual disputes or **claims**) arising out of or in connection with this **policy** or its subject matter, interpretation or formation.

If the country where the **insured person** is situated cannot be determined (for example risks occurring in international waters), then the laws of Denmark shall apply and the courts of Denmark shall have exclusive jurisdiction to settle any dispute or **claim** (including contractual or non-contractual disputes or **claims**) arising out of or in connection with this **policy** or its subject matter, interpretation or formation.

#### p. Sanctions

No **Insurer** shall be deemed to provide cover and no **Insurer** shall be liable to pay any **claim** or provide any benefit hereunder to the extent that the provision of such cover, payment of such **claim** or provision of such benefit would expose that **Insurer** to any sanctions, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, or United Kingdom or United states of America.
